

Triangraphics GmbH Logo, Print and copyright

The Logo

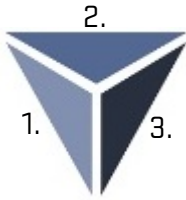

The Triangraphics logo ("Logo") is a graphical element. The Logo may be produced in full color or in black and white. The logo must be provided by Triangraphics GmbH only and only the provided logo may be use. The proportion and construction of the logo cannot be altered.

Text or other elements may not infringe the space around the logo. Once the logo has been sized for use, there should be clear space equal to the width of the upper case "T" surrounding the logo. The Slogan „ Intelligent Terrain Solutions „ belongs to the logo and cannot be separated.
